DETAILED ACTION

This is response to communication filed 05/15/07.

Allowable Subject Matter

Claims 1-16 are allowed in light of the applicant arguments and in light of the prior art made of record.

The following is an examiner's statement of reasons for allowance: the prior art of record failed to disclose: make obvious, or otherwise suggest a computer implemented method, program, apparatus, system or method that causes a computer to execute a method for generating an album based on album data including at least one image data set, which has been photographed during a trip and which has time data representing a time of photography attached thereto, the program including the procedures obtaining travel route data, which includes data related to the route taken during the trip and times of passage through desired positions along the route; obtaining a map data set that contains the route from a map database which stores a plurality of map data sets, based on the travel route data; estimating a photography location based on the travel route data and the time data; generating photography data which represents that the image data set was obtained at the photography location along the route; attaching the photography data to the map data set; and generating album data including the map data set, in which the photography data is correlated with the image data set in combination with other limitations of the claims, was not disclosed by, would not have

been obvious over, nor would have been fairly suggested by the prior art of record as recited in claims 1, 5, 9 and 13.

The dependent claims 2-4, 6-8, 10-12 and 14-16, being further limiting to the independent claims 1, 5, 9 and 13, definite and fully enable by the specification are also allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
